NOTES FROM NEVILLE, REAL ESTATE

You can contact Neville Demo anytime at 1-941-920-4598 cell

I hope everyone has enjoyed our wonderful winter season in paradise.

We would Love to have you as new home owners and enjoy Venice Isle every year. The inventory of homes for sale in the park has grown with 20 homes as of this writing, giving a wide range of choices. This is a perfect time to enjoy the desirability of our Park and its Residents. Don't miss out; call me now to see the homes we have for sale.

We have buyers still looking. If you are thinking of selling, please call me to discuss our market and how I may help you. If you are looking to buy, please keep checking our web site at www.veniceisle.com. I have all the homes for sale on it within a day of listing. We always have a list of homes on the office door also. Our inventory of homes for sale is low. If you have any questions on buying or selling, we will be glad to offer our expertise in the Venice Isle real estate market. We sell the vast majority of all homes in Venice Isle, making us the true experts in the park.

Please welcome your new owners who have purchased from Venice Isle Real Estate.

Don't forget Venice Isle Real Estate is your company! When Venice Isle Real Estate Sales makes a sale (buying or selling) 30% of commissions are paid to the park, keeping your maintenance fees lower. When an outside real estate company sells a home in our Park (buying or Selling), None of their commission goes back to the Park. So whether you are buying OR selling, use your company to help support your Park. Our sales commission is a low 5 and 1/2 % of the sale price so call me about how I can help.

If you are interested in the homes we have, please stop by the office and I would love to show you around the Park.

THE CHURCH OF VENICE ISLE

The first time I ever flew in a plane it was a 12 passenger flying out of our local airport. I was probably 30 years old at the time, alone, and scared. There was only one other passenger on board. I debated whether to sit in front of him, across from him, or behind him. I knew I wanted to be close to someone and it was just the two of us and the two pilots who I could see just fine because the curtains that separated the cockpit and us were open! I chose to sit behind my fellow passenger because I figured I could grab him from behind if necessary. I kept my eyes tightly shut as the plane raced down the runway and launched into the air. Once we were airborne, I braved a look out the window.. Tiny trees, houses, and cars lay below us. I imagined ant-sized people scurrying around but as we got closer to heaven, the houses disappeared, the people became invisible and

seemed insignificant indeed. I picked up my Bible, it opened to Psalm 8:4-5. I read, “..what is mankind that you are mindful of them, human beings that you care for them? You have made them a little lower than the angels and crowned them with glory and honor.” I was familiar with these verses but suddenly I realized what a breath-taking thing it is that the Almighty Creator cares for us—even to the extend of knowing the very number of hairs on our heads (Luke 12:7) and the Jesus Christ died for us (John 3:16), all out of his great love for these tiny seemingly insignificant creatures. Over these many years as I recall that experience, it still leaves me in awe and it comforts me that we have such a loving God looking out for us each day. As our aging bodies take off on flights of illness and other surprising things, its good to know we have fellow passengers on the journey and to know we can grab onto them when necessary but even more importantly, it is wonderful to remember that God still knows the number of hairs on our heads (or lack thereof) and He holds us in his hand. “Where can I go from your Spirit? Where can I flee from your presence? If I go up to the heavens, you are there; if I make my bed in the depths, you are there. if I rise on the wings of the dawn, if I settle on the far side of the sea, even there your hand will guide me, your right hand will hold me fast. (Ps. 139:7-10) We invite you to join us at Clubhouse 1, for worship on Sunday mornings 9 AM. Bible study meets every Thursday at 2 pm in the Venetian Room CH 2. Everyone is welcome. You don’t need to be a Bible scholar to come and be blessed. Pot Luck Social is Monday May 13 at 4:30, CH 1, all are welcome; bring your favorite beverage, a dish to share and a friend, tableware is provided.

Becky Erickson for Venice Isle Covenant Church

Venice Isle Covenant Church will host their next Potluck Community Social on Monday, May 13th at 4:30PM in Clubhouse 1. We do this on the second Monday of each month.

Bring your friends and neighbors. It is a great opportunity to meet and connect with other Venice Isle residents. Please bring a dish to share, and your own beverage.

CRUISE CLUB (GOLF CARTS) **VIAC SPONSORED EVENT**

The Cruiser Club met for its monthly meeting on Tuesday, April 2. We had one new person join our club.

This was our last meeting for this season. We will start our new season on Tuesday, November 5, 2024.

Chef Dennis and his wife, Diane put on a steak dinner for us at our end of the season meeting. He grilled at least 73 steaks and I believe everyone had a good time. To add to the dinner fun, we had two guest speakers. Laura, from the Garden Elementary School, came to thank us for our donations from our Michelle Emily Fund and how much everyone appreciates our efforts to give those kids in need a better life with school supplies, book bags, etc. She said they have 59% of their students qualify for a free lunch or a reduced lunch. Our donations help them purchase much needed healthy snacks that they give them throughout the school day. Our second guest speaker was our Florida State Trooper, Ken Watson. He talked about the legality of our golf carts, where they can be legally driven, and that most of the accidents that they deal with are with younger kids driving a golf cart and running into things and not having a driver's license. If anyone would like to read the law on the operation of golf carts on certain roadways, please look up Florida Statutes 316.212. He talked about the insurance part of it and he did a great job and said he would love to come back again if we invited him. Emily Basil will be going back up north and won't be doing any dinners this summer. She will start them again in late fall. I will be in contact with all of you to let you know how our fundraising plans are going. Please call or email me if you have any other ideas or suggestions. My cell phone is 989 444-4055 and my email address is marcialeitermann@gmail.com. Also, I want to thank you for your wonderful generosity to our Michelle Emily fund. Between our 50/50 and the donation box, we have really made some great progress in being able to give them a much needed increase to helping them help their kids in need. HAVE A GREAT SUMMER EVERYONE.

The 'WOW' Women's Group would like to thank VIAC for sponsoring our group, as we had another wonderful season this year. Many new women joined our group and were introduced to the benefits of good health through alternative means.

We covered topics like acupuncture, meditation, sound and light therapies, Reiki and even how to 'breathe'. Since the information in this group builds each week, considering marking your calendar to join us next January – right from the beginning!

Until then, may you have a wonderful and safe summer. See you in January of 2025!

It's a New Life

Blair Post, HAS, BC-HIS, ACA

Board Certified Hearing Instrument Sciences
American Conference of Audioprosthology

Having these hearing aids has given me a whole new life.

Best quote from a first time wearer Karen has ever heard. I've told her about patients crying in my office who heard clearly and it overwhelmed them. After all these years, she had a guy just oozing with happiness over his new hearing aids.

First time wearer, Dennis, was referred to us. After being fitted and wearing his new hearing aids for a few weeks he came in for a follow-up visit.

Dennis walked in smiling and gushed to Karen how his new hearing aids have given him a whole new life.

It wasn't just big things but the small moments also added to his enjoying life more.

The TV volume is softer so his wife can watch with him, that's an enjoyment. She doesn't constantly repeat herself, that's an enjoyment. He hears her from the other room so she isn't annoyed having to track him down, that's an enjoyment.

Even the small noises he had forgotten about were a blessing to have back. The first day he wore the new hearing aids, he could hear the beep of the coffee maker so he knew his cup was finished brewing. Dennis no longer had to wonder if it was done, he was confident.

Talking to friends at restaurants is so easy now that he is more relaxed and feels more connected.

The happiness that Dennis is feeling flows from him. While he was in my office he smiled the whole time.

Seeing another person's life transformed into happiness by wearing hearing aids gives me great joy for my purpose.

If you struggle to hear clearly and would like to find out if hearing aids can add to your happiness, call for a free demo, 941-244-9300.
