A REQUEST FROM THE OFFICE

If you are listing your home for sale please notify the office and make sure you inform your agent to stop by or call the office to find out what is necessary. Agents may also access the park website at: **veniceisleestates.com**

We have a lot of issues with Agents not knowing the basic information when selling a home in Venice Isle. For example: Whether your home is in the pet section and a 55 over community. Not every home in Venice Isle can have two (2) dogs, 20lbs and under as listed in the Park Rules and Regulations.

If you are not sure if your home is dog friendly, please contact the office.

Every home in Venice Isle can have two (2) indoor cats.

It is your responsibility as the home owner to supply your agents with everything they need to make the transaction seamless.

RENTING YOUR VI HOME?

There are a few things to remember.

Venice Isle requires each homeowner to submit an application along with the \$100 Application fee for park approval every time your home is rented. Please allow plenty of time for the application to be processed and approved.

Rental Applications are available Online, you may pick them up in the office or have them emailed to you. As the agent renting your unit, you are responsible for turning the entire application for approval into the office.

continued on page 6

Incomplete or partial applications will not be processed and returned.

Each tenant will submit to a background screening as part of the approval process and submit the required fee as listed on the Release of Information form. A copy of a photo ID with birthday and a social security number is also required.

If the tenant returns to the same home this is not required going forward.

If the tenant changes to a different unit in Venice Isle, or their return has been more than a year, the background screening is to be run again.

Rental period is for 30 days or longer, to a maximum of 2 persons, one of whom shall be 55 years of age, the second to be 45 years of age or older.

If you wish your tenants to have access to the facilities or access to the gates, you will need to give them the fobs for your unit and provide them with a gate pass.

Don't forget Venice Isle Real Estate is your company! When Venice Isle Real Estate Sales makes a sale (buying or selling) 30% of commissions are paid to the park, keeping your maintenance fees lower. When an outside real estate company sells a home in our Park (buying or Selling), None of their commission goes back to the Park. So whether you are buying OR selling, use your company to help support your Park. Our sales commission is a low 5 and 1/2 % of the sale price so call me about how I can help.

If you are interested in the homes we have, please stop by the office and I would love to show you around the Park.

VENICE ISLE COVENANT CHURCH

Did you ever go to the grocery store and find that one or more aisles have been rearranged? The peanut butter is no longer on aisle 6; now it's on aisle two with the bread! The shopping takes longer and it is frustrating when you can't find items. Typically, we don't like change. It can be disruptive!

We're more comfortable with the familiar. What if I told you about something that never changes?

How would that make you feel? Hebrews 13:8 tells us that, "Jesus Christ is the same yesterday and today and forever." That sameness is refreshing in this world of ours. To know that Jesus will not change on us is incredibly comforting. We can rely on His steadiness. We can rely on His strength.

It's as if we can take refuge in the sameness. It reminds me of a time or two when I have been ill. All I want is to be back to normal. It's the old saying, "Normal never felt so good." Well, Jesus can be part of our "normalcy." He can be part of our everyday routine. We can rejoice in the knowledge that Jesus is not going to change on us. When life is throwing curve-balls, He's going to remain the same. We can count on Him to be there in our darkest moments. All we have to do is call on Him. Maybe it starts with a prayer of need. Maybe it starts with a plea of desperation. The sameness of Jesus stabilizes us. It's a place of calmness. It's a refuge for us. I'm reminded of Isaiah 41:10, "So do not fear, for I am with you; do not be dismayed, for I am your God. I will strengthen you and help you. I will uphold you with my righteous right hand." God will see us through. We can rely on His strength when we are feeling weak. The wonderfulness of that takes my breath away! We invite you to join us for worship on Sunday mornings at 9AM in Clubhouse 1. Bible study is over for the season. We will begin a summer session soon, date to be published. It will remain on Thursdays at 2PM, CH2, in the Venetian Room. If you have questions about Bible study, you can call me at (602) 821-4885. Chris Truemper for Venice Isle Covenant Church.

CRUISE CLUB (GOLF CARTS)

The Cruiser Club had its final meeting for the season on Tuesday, April 15. We will be doing another Halloween Party and at this point, the date will be Thursday, October 30, 2025. If that changes, I will let you know. We are planning on doing the PJ Party the first part of December. I will also get back with you on that one.

Our Cruiser Club will start our regular meetings again on Tuesday, November 4, 2025. We hope to see all of you then.

Have a great summer all of you. We will miss you. Take care of yourselves and stay healthy. If you have any questions during the summer, please call me at 989 444-4055.

Marcia

GARDEN CLUB

Our April meeting was "All about alligators" presented by Sarasota County Extension Office, Dr. Katherine Clements.

Feeding any wildlife is illegal in Florida. That includes birds and turtles. Of course Alligators are a protected species and not to be fed. Walk your dog at least 10 ft from any lake. Alligators love small animals and that includes your dog or worse, small children. They can lunge so stay back from the lakes. Tell your guest please.

Their favorite feed is turtles. If you are feeding turtles you are asking for an alligator. Turtles are wild so it is illegal to feed them anyway.

Next Garden Club meeting will be the first Wednesday January 2026. Have a wonderful safe summer and we will see you on your return.

SCAM

ALERT

fbi.gov/how-we-can-help-you

Charity and Disaster Fraud

Charity fraud schemes seek donations for organizations that do little or no work—instead, the money goes to the fake charity's creator.

While these scams can happen at any time, they are **especially prevalent after high-profile disasters**. Criminals often use tragedies to exploit you and others who want to help.

After a natural disaster or other emergency, unethical contractors and other scammers may commit insurance fraud, re-victimizing people whose homes or businesses have been damaged. Sometimes these fraudsters even pretend to be affiliated with the government, when they are not. If you need any post-disaster repairs, do your research before hiring any contractor.

Protect Yourself. The following tips can help you avoid these schemes:

- **Give to established charities** or groups whose work you know and trust.
- Be aware of organizations with **copycat names** or names similar to reputable organizations.
- Be wary of new organizations that **claim to aid victims of recent high-profile disasters**.
- Do your research. Use the Federal Trade Commission's resources to examine the track record of a charity.
- **Give using a check or credit card.** If a charity or organization asks you to donate through cash, gift card, virtual currency, or wire transfer, it's probably a scam. Learn more about this trick from the FTC.
- **Practice good cyber hygiene:**
 - Don't click links or open email attachments from someone you don't know.
 - Manually type out links instead of clicking on them.
 - Don't provide any personal information in response to an email, robocall, or robotext.
 - Check the website's address—**most legitimate charity organization websites use .org, not .com.**
- After a natural disaster or other emergency, carefully **vet any contractors before hiring them to work on your home or business.**

Is There a Hearing Problem?

Blair Post, HAS, BC-HIS, ACA

Board Certified Hearing Instrument Sciences
American Conference of Audioprosthology

Joe's checkup is ending, and his doctor asks, "Is there anything else?"

Joe says, "I don't think my wife is hearing well. What can I do?"

The doctor recommended a simple exercise to determine if it was her hearing. Stand about 50 feet away from your wife, when her back is to you so she can't see you. Ask her a general question and see if she answers. If she doesn't answer, step closer and ask again. If she doesn't answer, take another step closer and ask again. Keep doing this until you know she heard the question and answered it.

Joe went home and did the exercise. Joe stood in the hallway behind his wife while she was in the kitchen cooking. He asked in a clear, steady voice, "Honey, what's for dinner?" No reply. So, he took a step closer and asked again. No reply. So, he took a step closer and asked again.

After five times his wife spun around and yelled, "For the fifth time, chicken!"

While Joe's story is humorous, it illustrates a serious point: hearing loss often goes unnoticed by the person experiencing it. If you're wondering whether your loved one might have a hearing problem, here are some signs:

Frequent Misunderstandings: misinterpret what's said or respond inappropriately

Complaints About Mumbling: frequently claim that others don't speak clearly

Difficulty in Noisy Environments: they struggle to follow conversations in noisy places

Loud TV: set the TV volume higher than is comfortable for others

Withdrawal from Conversations: appear to disengage during conversations

Hearing loss doesn't have to create distance in your relationships. To find out if hearing loss is an underlying cause, call us at (941) 244-9300 to schedule your free hearing test today.
